Thank you for giving BO & CO Electrical the opportunity to quote for your project. Please take a moment to review the breakdown of allowances below to ensure this quotation aligns with your requirements.

Payment Terms

- Payment terms are strictly on or before the 20th of the first following month of the invoice date

Inclusions

- We will require a contract based on NZS3910:2013 & the Construction Contracts Act 2002
- Quote valid for 30 days from the date of issue only
- Standard 12 month warranty applies to installation. All consumable items i.e. lamps and batteries have a 3 month warranty

Exclusions

- The quote excludes costs for the electricity retailer's import/export meter, which vary by provider and meter type. Customers should confirm these costs with their retailer
- Repairs or alterations to any existing services / conduits unless otherwise noted
- Supply or erection of height access platforms
- Heated towel rails supplied by others or priced separately
- Light fittings supplied by others or priced separately
- Warranty on light fittings or appliances supplied by others - items supplied must be to NZ Standards
- Masonry work, concrete cutting or removal. Assumed all masonry will be strapped
- Power, telecom, water or gas connection fees, including any additional connection charges from inspectors OR network authorities
- This quote is subject to change following a detailed site assessment. Any variations required due to site-specific conditions may result in adjustments to the final pricing.
- Trenching or backfilling
- Supply or installation of TV aerial / dish, final connections, networking or networking hardware

We hope this quotation is just what you're looking for and look forward to hearing from you soon! If you have any questions or need anything clarified, don't hesitate to get in touch.

Yours sincerely,

BO & CO Electrical
